To the holders of ordinary shares in Speedy Hire Plc ('Company')

Dear Shareholder

Notice of 2010 Annual General Meeting

I am pleased to be writing to you with details of the 2010 Annual General Meeting ('AGM') of the Company which is to be held at The Mere Court Hotel and Conference Centre, Warrington Road, Mere, Knutsford, Cheshire WA16 0RW on Tuesday 20 July 2010 at 11.00am. The formal notice convening the meeting is set out at pages 7 to 10 of this document. In this letter, I will provide you with a detailed explanation of the resolutions to be proposed at the meeting.

At this year's AGM, we will be proposing a number of resolutions, as set out below. Resolutions 1 to 8, 13 and 14 will be proposed as ordinary resolutions. Resolutions 9 to 12 will be proposed as special resolutions. The proposed ordinary resolutions will be passed if more than 50% of the votes cast are in favour and the proposed special resolutions will be passed if at least 75% of the votes cast are in favour.

Annual Report and Accounts (Resolution 1)

This resolution deals with the delivery by the directors of the Company (the 'Directors') to the shareholders of the Company ('Shareholders') the accounts for its financial year ended 31 March 2010 (including the Directors' and Auditors' report on those accounts) and the adoption thereof by the Company.

Directors' Remuneration Report (Resolution 2)

In accordance with the Directors' Remuneration Report Regulations 2002, the Shareholders are asked to consider and, if thought fit, to approve the Directors' remuneration report for the year ended 31 March 2010.

Final Dividend (Resolution 3)

Final dividends are approved by the Shareholders but cannot be more than the amount recommended by the Directors. The Directors are recommending a final dividend for the year ended 31 March 2010 of 0.2 pence per ordinary share due and payable on 18 August 2010 to the Shareholders on the register at close of business on 18 June 2010. This resolution seeks Shareholders' approval of the proposed dividend.

Re-election of Directors (Resolutions 4, 5 and 6)

In addition to those Directors seeking reappointment, the Company's articles of association ('Current Articles') require that one-third of the Directors who are subject to retirement by rotation retire at every AGM of the Company. Claudio Veritiero, Ishbel Macpherson and I are retiring by rotation and are offering ourselves for re-election. Our re-election is recommended by the Board of Directors ('Board'). Biographical details of the existing Directors who are seeking re-election are included on pages 46 and 47 of the Company's Annual Report which is enclosed with this circular.

Reappointment of auditors and auditors' remuneration (Resolution 7)

The Company's auditors ('Auditors'), KPMG Audit Plc, were reappointed at the AGM of the Company held on 21 July 2009. Their period of office expires at the conclusion of the 2010 AGM. This resolution proposes their reappointment as the Auditors. It is normal practice for the Directors to be authorised to fix the Auditors' remuneration and this is also dealt with in this resolution.

Directors' authority to allot shares (Resolution 8)

The Companies Act 2006 ('Act') provides that the Directors may not allot ordinary shares unless authorised to do so by the Company in general meeting or by its articles. This resolution seeks renewal, for a further period expiring at the earlier of the close of the 2011 AGM or 30 September 2011, of the authority previously granted to the Directors at last year's AGM.

The authority relates to a total of 172,405,222 ordinary shares, being one third of the issued share capital of the Company as at 18 June 2010 (being the latest practicable date prior to publication of this document). In addition, in accordance with the latest guidelines issued by the Association of British Insurers, the resolution also contains an authority for the Directors to allot a further 172,405,222 ordinary shares in connection with a preemptive offer by way of rights issue to ordinary shareholders.

The Directors have no present intention of allotting, or agreeing to allot any shares otherwise than in connection with our employee share schemes, to the extent permitted by such schemes. The Directors continue to consider potential acquisitions and in the event of one of these potential acquisitions proceeding, this may require the allotment of shares pursuant to this authority.

Disapplication of statutory pre-emption rights (Resolution 9)

The Act gives holders of ordinary shares, with limited but important exceptions, certain rights of pre-emption on the issue for cash of new equity securities. The Directors believe that it is in the best interests of the Company that, as in previous years, the Board should have limited authority to allot some shares for cash without first having to offer such shares to existing Shareholders. The Directors' current authority expires at the close of the forthcoming AGM and, accordingly, this resolution seeks to renew this authority on similar terms for a further period, expiring at the earlier of the close of the 2011 AGM or 30 September 2011.

The authority, if granted, will relate to allotment in respect of rights issues and similar offerings (where difficulties arise in offering shares to certain overseas Shareholders and in relation to fractional entitlements and certain other technical matters) and generally to allotments (other than in respect of rights issues) of equity securities having an aggregate nominal value not exceeding £1,293,039 (being approximately 5% of the issued ordinary share capital of the Company as at 18 June 2010 (being the latest practicable date prior to the publication of this document)).

Authority to purchase ordinary shares (Resolution 10)

This resolution is to renew the Company's authority to make market purchases of its own shares. The authority should not be taken to imply that shares will be purchased at any particular price or, indeed, at all, and the Board has no present intention of exercising this power but would wish to retain the flexibility to do so in the future. The authority will expire at the earlier of the conclusion of the 2011 AGM or 30 September 2011. The Board intends to seek renewal of this power at subsequent AGMs.

The resolution specifies the maximum number of shares which may be purchased (representing approximately 10% of the Company's issued ordinary share capital as at 18 June 2010 and the maximum and minimum prices at which they may be bought, reflecting the requirements of the Act and the rules of the United Kingdom Listing Authority. Any purchases would only be made on the London Stock Exchange. The Directors have not yet decided whether such shares, if repurchased, would be cancelled or taken into treasury, and a decision would be taken in the light of prevailing circumstances. The Board will only exercise the power to make purchases of shares after consideration of the effects on earnings per share and the benefits for Shareholders generally. As at 18 June 2010 (being the latest practicable date prior to publication of this document), there were options outstanding over 11,442,015 ordinary shares, representing 2.21% of the Company's issued share capital. If the authority given by Resolution 10 was to be fully used, the options currently in issue would then represent 2.46% of the Company's issued share capital.

Adoption of new articles of association (Resolution 11)

It is proposed in Resolution 11 to adopt new articles of association (the 'New Articles') in order to update the Current Articles primarily to take account of the coming into force of the last parts of the Act and certain changes made to the Act by the Companies (Shareholders' Rights) Regulations 2009 (the 'Shareholders' Rights Regulations'). The principal changes introduced in the New Articles are summarised on pages 5 and 6 of this document. Other changes, which are of a minor, technical or clarifying nature and also some more minor changes which merely reflect changes made by the Act or the Shareholders' Rights Regulations or conform the language of the New Articles with that used in the model articles for public companies produced by the Department for Business, Innovation and Skills have not been noted in the summary. The New Articles showing all the changes to the Current Articles are available for inspection, as noted on page 12 of this document.

Length of notice of meetings (Resolution 12)

The Act (and changes proposed to be made to the Articles under Resolution 11, if passed) enable the Company to call general meetings (other than AGMs) on 14 clear days notice. The Shareholders' Rights Regulations increase this period to 21 days unless Shareholders have approved a shorter period which cannot be less than 14 days. This resolution seeks such approval. The approval will be effective until the Company's next AGM, when it is intended that the approval be renewed. The Company will also need to meet the requirements for electronic voting under the Shareholders' Rights Regulations before it can call a general meeting on 14 days' notice.

Electronic communications (Resolution 13)

The resolution is to seek general authority from Shareholders to send or supply documents or information to Shareholders in electronic form (for example by email or by publication on the Company's website), taking advantage of legislative changes in recent years. The Company would like to take advantage of this legislation as increased use of electronic communications will deliver cost savings for the Company, increase the speed at which the Company can communicate with Shareholders who supply e-mail addresses for this purpose, and will also have environmental benefits through the reduced use of paper and energy required for the production and distribution of documents. If this Resolution is passed, the Company will write to Shareholders in due course with more details of how and when the electronic communications programme will be implemented. Shareholders who wish to elect to continue to receive paper copies of documents will be given the opportunity to do so.

Political donations (Resolution 14)

It is the policy of the Company not to make donations to political parties or incur political expenditure and it has no present intention of making any political donation or incurring any political expenditure in respect of any political party, political organisation or independent election candidate. However, the Act contains wide definitions of 'political donation', 'political organisation' and 'political party' and, as a result, it is possible that the Company and its subsidiaries may be prohibited from supporting bodies which it is in the shareholders' interest for the Company to support; for example, bodies concerned with policy review or law reform, with the representation of the business community or sections of it or special interest groups. Sponsorship, subscriptions, payment of expenses and paid leave for employees fulfilling public duties may even fall under the definitions. If this resolution is passed the Company and its subsidiaries will be authorised to make donations and incur expenditure which might otherwise be prohibited by legislation, up to a limit of, in aggregate, £50,000. The Directors consider that the authority is necessary to provide the Company with comfort that it will not, because of uncertainties as to the scope and interpretation of the legislation, unintentionally commit a technical breach of it. In common with other listed companies, the Directors are therefore seeking Shareholders' approval in the terms outlined in this resolution.

Action to be taken

Whether or not you are able to attend the meeting, you are asked to complete the enclosed form of proxy and to post it to the Company's Registrars at Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6ZX, as soon as possible but, in any event, to arrive no later than 11.00am on 18 July 2010. Completion and posting of the form of proxy will not preclude you from attending and voting in person at the AGM should you wish to do so.

If you are a member of CRE ST, you may register your appointment of a proxy through the CRE ST electronic appointment service using CRE ST ID RA19. For further details refer to the CRE ST manual. Completion of a form of proxy or the appointment of a proxy electronically will not stop you attending the AGM and voting in person should you so wish.

A 'vote withheld' option is provided on the form of proxy accompanying this Notice of Meeting which is to enable you to withhold your vote on any particular resolution. It should be noted that a vote withheld is not a vote in law and will not be counted in the calculation of the proportion of votes 'for' or 'against' a resolution.

CREST – Regulation 41 of the Uncertificated Securities Regulations 2001

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that only those Shareholders registered in the register of members of the Company as at 6.00 pm on 18 July 2010 shall be entitled to attend or vote at the AGM in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after that time will be disregarded in determining the rights of any person to attend or vote at the AGM.

Documents for inspection

Copies of (a) the Directors' service contracts; (b) a Statement of Directors' share interests and those of their families; (c) the Current Articles; and (d) the New Articles showing the changes being proposed from the Current Articles will be available for inspection during business hours on any weekday from the date of this letter until the conclusion of the AGM at the Company's registered office and at the offices of Pinsent Masons LLP, CityPoint, One Ropemaker Street, London EC 2Y 9AH. These documents will also be available for inspection at the place of the AGM for at least 15 minutes prior to, and during, the AGM.

Recommendation

The Directors believe that the resolutions referred to above which are to be proposed at the AGM are in the best interests of the Company and of the Shareholders as a whole and recommend Shareholders to vote in favour of them, as each of the Directors intends to do in respect of his or her own beneficial holding.

Yours faithfully

David Wallis

Chairman

EXPLANATORY NOTES OF PRINCIPAL CHANGES TO THE COMPANY'S ARTICLES OF ASSOCIATION

1. The Company's objects

The provisions regulating the operations of the Company are currently set out in the Company's memorandum and articles of association. The Company's memorandum contains, among other things, the objects clause which sets out the scope of the activities the Company is authorised to undertake. This is drafted to give a wide scope.

The Act significantly reduces the constitutional significance of a company's memorandum. The Act provides that a memorandum will record only the names of subscribers and the number of shares each subscriber has agreed to take in the company. Under the Act the objects clause and all other provisions which are contained in a company's memorandum, for existing companies at 1 October 2009, are deemed to be contained in the company's articles of association but the company can remove these provisions by special resolution.

Further the Act states that unless a company's articles provide otherwise, a company's objects are unrestricted. This abolishes the need for companies to have objects clauses. For this reason the Company is proposing to remove its objects clause together with all other provisions of its memorandum which, by virtue of the Act, are treated as forming part of the Company's articles of association as of 1 October 2009. Resolution 11 confirms the removal of these provisions for the Company. As the effect of this resolution will be to remove the statement currently in the Company's memorandum of association regarding limited liability, the New Articles also contain an express statement regarding the limited liability of shareholders.

2. Articles which duplicate statutory provisions

Provisions in the Current Articles which replicate provisions contained in the Act are in the main to be removed in the New Articles. This is in line with the approach advocated by the Government that statutory provisions should not be duplicated in a company's constitution.

3. Change of name

Under the Companies Act 1985, a company could only change its name by special resolution. Under the Act a company will be able to change its name by other means provided for by its articles. To take advantage of this provision, the New Articles enable the Directors to pass a resolution to change the Company's name.

4. Authorised share capital and unissued shares

The Act abolishes the requirement for a company to have an authorised share capital and the New Articles reflect this. Directors will still be limited as to the number of shares they can at any time allot because authority to allot continues to be required under the Act, save in respect of employee share schemes.

5. Redeemable shares

Under the Companies Act 1985, if a company wished to issue redeemable shares, it had to include in its articles the terms and manner of redemption. The Act enables directors to determine such matters instead provided they are so authorised by the articles. The New Articles contain such an authorisation. The Company has no plans to issue redeemable shares but if it did so the Directors would need shareholders' authority to issue new shares in the usual way.

6. Authority to purchase own shares, consolidate and sub-divide shares, and reduce share capital

Under the Companies Act 1985, a company required specific enabling provisions in its articles to purchase its own shares, to consolidate or subdivide its shares and to reduce its share capital or other undistributable reserves as well as shareholder authority to undertake the relevant action. The Current Articles include these enabling provisions. Under the Act a company will only require shareholder authority to do any of these things and it will no longer be necessary for articles to contain enabling provisions. Accordingly the relevant enabling provisions have been removed in the New Articles.

7. Use of seals

Under the Companies Act 1985, a company required authority in its articles to have an official seal for use abroad. Under the Act, such authority is no longer required and the relevant authorisation has been removed in the New Articles.

8. Suspension of registration of share transfers

The Current Articles permit the Directors to suspend the registration of transfers. Under the Act share transfers must be registered as soon as practicable. The power in the Current Articles to suspend the registration of transfers is inconsistent with this requirement. Accordingly, this power has been removed in the New Articles.

9. Vacation of office by directors

The Current Articles specify the circumstances in which a Director must vacate office. The New Articles update these provisions to reflect the approach taken on mental and physical incapacity in the model articles for public companies produced by the Department for Business, Innovation and Skills.

10. Voting by proxies on a show of hands

The Shareholders' Rights Regulations have amended the Act so that it now provides that each proxy appointed by a member has one vote on a show of hands unless the proxy is appointed by more than one member in which case the proxy has one vote for and one vote against if the proxy has been instructed by one or more members to vote for the resolution and by one or more members to vote against the resolution. The Current Articles have been amended to reflect these changes.

11. Voting by corporate representatives

The Shareholders' Rights Regulations have amended the Act in order to enable multiple representatives appointed by the same corporate member to vote in different ways on a show of hands and on a poll. The New Articles contain provisions which reflect these amendments.

12. Chairman's casting vote

The New Articles remove the provision giving the chairman a casting vote in the event of an equality of votes as this is no longer permitted under the Act.

13. Notice of general meetings

The Shareholders' Rights Regulations amend the Act to require the Company to give 21 clear days' notice of general meetings unless the Company offers members an electronic voting facility and a special resolution reducing the period of notice to not less than 14 days has been passed. Annual general meetings must be held on 21 clear days' notice. The New Articles amend the provisions of the Current Articles to be consistent with the new requirements.

14. Adjournments for lack of quorum

Under the Act as amended by the Shareholders' Rights Regulations, general meetings adjourned for lack of quorum must be held at least 10 clear days after the original meeting. The Current Articles have been changed to reflect this requirement.

15. Voting record date

Under the Act, as amended by the Shareholders' Rights Regulations, the Company must determine the right of members to vote at a general meeting by reference to the register not more than 48 hours before the time for the holding of the meeting, not taking account of days which are not working days. The New Articles reflect this requirement.

16. General

Generally the opportunity has been taken to bring clearer language into the New Articles and in some areas to conform the language of the New Articles with that used in the model articles for public companies produced by the Department for Business, Innovation and Skills.

 - (a) the allotment of equity securities where such securities have been offered (whether by way of rights issue, open offer or otherwise) to holders of ordinary shares in proportion (as nearly as may be practicable) to their existing holdings of ordinary shares but subject to the Directors having the right to make such exclusions or other arrangements in connection with the offering as they deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates, legal or practical

Notes

1. A member entitled to attend and vote at the AGM convened by the notice set out above is entitled to appoint as proxy or proxies to attend, speak and vote in his place. A member may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a member of the Company. If you wish your proxy to speak on your behalf at the AGM you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.
2. A Form of Proxy is enclosed for your use. To be valid, the Form of Proxy together with any power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority must be received by the Company's Registrars, Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6ZX, not later than 11.00am on 18 July 2010.
3. If you are a member of CRE ST, you may register the appointment of proxy through the CRE ST electronic appointment service using CRE ST ID RA19. For further detail refer to the CRE ST manual (available at [www.euroclear.com/CRE ST](http://www.euroclear.com/CRE%20ST)).
4. Completion of a Form of Proxy or the appointment of a proxy electronically will not stop you attending the meeting and voting in person should you so wish.
5. The right to appoint a proxy does not apply to a person whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 14 of the Act ('Nominated Person'). Nominated Persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it they may have the right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
6. Any corporation that is a member of the Company can appoint one or more corporate representatives who may exercise on its behalf all of the same powers as the corporation could exercise if it were an individual member provided that they do not do so in relation to the same shares. It is therefore no longer necessary to nominate a designated corporate representative.
7. In the case of joint holders of a share the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose seniority is determined by the order in which the names of the holders stand in the register of members in respect of the joint holding.
8. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that only those Shareholders registered in the register of members of the Company as at 6.00 pm on 18 July 2010 (or in the case of an adjournment as at 48 hours before the time appointed for holding the meeting) shall be entitled to attend or vote at the AGM and that the number of votes which any Shareholder may cast, on a poll, will be determined by reference to the number of shares registered in such Shareholder's name at that time. Changes to entries on the register after that time will be disregarded in determining the rights of any person to attend or vote at the AGM.
9. A 'vote withheld' option is provided on the Form of Proxy which is to enable a shareholder to withhold their vote on a particular resolution. It should be noted that a vote withheld is not a vote in law and will not be counted in the calculation of the proportion of votes 'for' or 'against' a resolution.
10. Copies of (a) the Directors' service contracts; (b) a Statement of Directors' share interests and those of their families; (c) the current Articles of Association; and (d) the proposed new Articles of Association showing the changes from the current Articles of Association will be available for inspection during business hours on any weekday from the date of this letter until the conclusion of the AGM at the Company's registered office and at the offices of Pinsent Masons LL P, CityPoint, One Ropemaker Street, London EC 2Y 9AH. These documents will also be available for inspection at the place of the AGM for at least 15 minutes prior to, and during, the AGM.

11. As at 18 June 2010 (being the latest business day prior to the publication of this notice), the Company's issued share capital consists of 517,215,666 ordinary shares of five pence each, carrying one vote each. Every member has one vote on a show of hands and on a poll one vote for each share held.

12. It is possible that, pursuant to requests made by members of the Company under section 527 of the Act, the Company may be required to publish on its website a statement setting out any matter relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on its website.

13. A member of the Company attending the AGM has the right to ask questions relating to the business being dealt with at the AGM in accordance with section 319A of the Act.
